Lakshmi Prasanna

B2B SaaS Product Manager | Championing Data-Driven Decision Making and Strategic Roadmaps | MBA | Agile & Lean Six Sigma Certified

Bengaluru, Karnataka, India

Summary

Dynamic product manager with expertise in B2B SaaS, combining business acumen and technical skills to deliver user-centric solutions. With an MBA and certifications in Agile and Lean Six Sigma, I specialize in crafting strategic roadmaps, enhancing product functionality, and driving operational efficiency. Known for simplifying complex processes and collaborating effectively across teams, I'm passionate about building products that resonate with users and advance business goals.
